Mental Health and Wellbeing

We have provided outside support for our children to support them with their wellbeing and mental health. This includes: art therapy, ecotherapy, additional 1:1 forest school sessions and music lessons.

Attendance

Our attendance is monitored weekly, including Pupil Premium children. We have worked closely with our Attendance Improvement Officer to improve attendance rates as well as communicate more rapidly with parents as soon as there is an authorised absence or persistent absentee.

Persistent Absentees: 12.10%
