

Dear Parents and Carers,

**Re: Staffing and Class Arrangements for the 2025-2026 Academic Year**

As we approach the end of the current academic year, we would like to take this opportunity to thank all of you for your continued support for our school. It has been a year filled with growth, learning, and many proud moments across all year groups.

I am now pleased to share with you the class structure and staffing arrangements for the upcoming academic year. These decisions have been made with the best interests of our pupils at heart and aim to ensure high-quality teaching, and a nurturing environment.

As we are sure you are aware, School budgets are constrained, requiring careful financial planning. Despite these challenges we try to maximise our resources by prioritising teaching staff, teaching assistants, educational materials, and targeted support. Through strategic budgeting and innovative thinking, our school works to foster a positive learning environment where every child can thrive.
